For our annual dinner this year, we are returning to Create Café at Wakefield One where we shall once again have exclusive use of the facilities.

Yes, Create Café will be converted into a cocktail bar and restaurant for the evening as we first of all experience a Cocktail Masterclass before sitting down to a three course, Christmas-themed dinner followed by coffee and mints.

Doors open at 7pm when a bar will be available from which to purchase drinks and order wine, etc, to accompany your meal. At 7.30, we will start with our cocktail demonstration when our mixologist for the evening, Shaun Mounsey, will demonstrate how to make three cocktails and one mocktail (the latter being without alcohol).

As Shaun demonstrates how to make the perfect cocktail, guests will have the chance to sample the drinks for themselves as they will each receive a tasting glass (approximately one-third measure) for each cocktail/mocktail that Shaun mixes.

If you've been to one of our Cocktail Masterclasses before, you'll know just how popular they are! So do book early.....

Dinner will be served at approximately 8.30pm (menu choices below), followed by coffee and mints. The evening will end at around 10.30 to 11.00pm.

The cost is £49 per person.

To book your tickets, you can email me ([info@wakefieldcivicsociety.org.uk](mailto:info@wakefieldcivicsociety.org.uk)) your details (names and titles of people in your party, plus menu choices for each person) and then pay either [via our on-line shop](#) for the number of places for which you are booking, or via bank transfer to our account with the Co-Operative Bank (see below for account details). You can also use the attached booking form and return it to us with your cheque and menu choices but please allow for the possibility of postal delays – don't leave it to the last moment.

Finally, please let us know if you have any special dietary requirements so that we can take these up with the caterers on your behalf.

Do get in touch if you have any questions.
