1	Plaques can be erected for people who have died, buildings and historic events. Please give as much background information as you can about the nomination you wish to put forward. Links to any relevant websites would also be appreciated. Continue on a separate sheet if necessary.
2	We will need to find somewhere to put the plaque. If your nomination is for a person or event, or for a building which has been demolished, please say where you would like to see the plaque erected. Please note that if there is already another blue plaque on the building you are suggesting, we may not be able to proceed with your nomination.
3	Have you spoken to the owner or occupier of the property about the idea of a blue plaque? If so, what was their reaction?

4	If the nomination is for a person, are there any immediate surviving family members who we may need to consult? Have you already contacted them and, if so, what was their reaction?
5	Is there any funding available to cover the cost of the plaque (approximately £1,000)? Are you able to provide the funding yourself?
6	Is there any other information you can share with us about this nomination?
